

## HARD STANDING – 26.2.20

|  |  |
|--|--|
| <p>If you could let me know where the money is coming from for the Hardstanding &amp; Compound, ie, if it's in the precept or another budget somewhere, that would be great</p>  | <p>Request received<br/>Date: 26.2.20</p> <p>To reply by<br/>Date: 25.3.20</p> |
| <p>The Money for the Hardstanding and Vehicle Compound is being funded by the proceeds of the sale of Cemetery Lodge. This money is capital income and can only be spent on Capital expenditure. Therefore, it is more financially viable to spend this money on the vehicle compound and re-earmark the monies that has already been accrued for the compound to other projects</p> | <p>Replied 23.3.20</p>   |
