

COMPOUND/HARD STANDING – 27.2.20

<p>Were the 2 x tenders advertised on Government Contract Finder for the hardstanding & Compound? If so, I couldn't find them & would be grateful if you would detail where these 2 x tenders were advertised.</p>	<p>Request received Date: 27.2.20</p> <p>To reply by Date: 26.3.20</p>
<p>The 2 x tenders were not advertised on the Government Contract Finder or anywhere else, although this is considered best practice, it is not a legal requirement.</p> <p>The reason we didn't advertise was because we wanted to put the money from the local community asset, back into the local community, this is why we only asked local firms for quotes.</p>	<p>Replied 23.3.20</p>
