

RADAR REPORT – 11.3.20

<p>I REQUEST FULL DISCLOSURE OF ALL GROUND RADAR REPORTS (PREFERABLY ELECTRONIC) ASSOCIATED WITH THE CEMETERY AND ACCESS ROUTE TO THE PROPOSED COMPOUND. AS THIS REQUEST IS NOW SEVEN WORKING DAYS IN, THE INFORMATION SHOULD BE PROVIDED NO LATER THAN FRIDAY 27 MARCH 2020 IN ACCORDANCE WITH THE TIMESCALES REQUIRED BY THE LEGISLATION.</p>	<p>Request received Date: 11.3.20</p> <p>To reply by Date: 8.3.20</p>
<p>I believe the radar survey was done in October 2017, which is before my time as Clerk, and I personally have never seen a Radar Report. I have done extensive searches to try and find a radar survey report, but to no avail. I have asked Councillors who were here at the time if they still have the report, but again they have been unable to find anything.</p> <p>I know you were Clerk at this time, so you would have put the radar report together, if you could enlighten me as to where it could possibly be filed, I will endeavour to see the report can be found.</p> <p>I am sorry that we don't have the data you require, to carry out your request</p>	<p>Responded Date: 1.4.20</p>
