

## POLLING CARDS – 11.3.20

<p>Please provide electronic copy of the minutes of the Council meeting at which it was resolved not to issue polling cards, and the voting record for that decision</p>	<p>Request received Date: 11.3.20</p> <p>To reply by Date: 8.3.20</p>
<p>I was advised by NALC that the decision to issue or not issue polling cards, is the decision of the Clerk and usually follows the precedent. It is not a decision that needs a resolution from the Council.</p> <p>In the minutes of the council meeting 25 July 2017 available on our website <a href="https://www.nwtc.org.uk/meetings/agendas-2018/">https://www.nwtc.org.uk/meetings/agendas-2018/</a> , it states the precedent was originally set in 2013 and the policy to not issue polling cards for by-elections has been continued ever since.</p> <p>So, to answer your question there are no specific minutes to record the decision where it was resolved not to issue polling cards for the recent election.</p>	<p>Responded Date; 1.4.20</p>
