We are urging members of the public to be vigilant following a number of telephone scams across the county. Courier Fraud happens when a fraudster contacts a victim by telephone claiming to be a police officer, bank or from a government department, among other agencies. A number of techniques will then be adopted in order to convince the victim to hand over their bank details or cash, which may then be passed on to a courier. Residents are reminded that police officers, banks and other government agencies will NEVER ask you to withdraw money or transfer it to another account as part of an undercover operation. They will NEVER ask you to reveal your full banking password or PIN, ask you to handover money for safe keeping or as part of an operation. They will NEVER send someone to your address to collect money, cards or PIN Numbers or ask you to deliver these to another location. Please spread the word to your friends and family. If anyone has received a similar type of telephone call please report this to Norfolk Police via 101. If you believe a crime is in progress, always call **999**. For further advice head to the Action Fraud website www.actionfraud.police.uk.
