With more than 12,000 homes across Norfolk now in a No Cold Calling Zone, more people than ever are saying no to cold callers. Feedback shows the zones really work with a drop in the number of cold callers seen in 99% of areas.

No Cold Calling Zones give householders the confidence to tell rogue traders they are not welcome and are likely to be reported to Trading Standards if they do call at homes in a zone.

Figures show that 85% of people in a No Cold Calling Zone felt able to tell a cold caller they were in a zone and should leave.

Find out whether your road or street meets the criteria to become a No Cold Calling Zone at www.norfolk.gov.uk/nccz

WHAT'S HAPPENING IN YOUR AREA?

PC Gwynn and PC Robinson have been busy conducting hi-visibility patrols on our coastal areas which have been increasingly busy, along with patrolling around locations identified in our problem-solving plans, so concentrating on The Memorial Park in North Walsham and Gold Park in Mundesley. We have also been supporting our District Council Covid Support Officers in our towns and villages. Over the next month we will be out and about in North Walsham and surrounding parishes to support our communities as we approach the easing of the lockdown rules.

We have also executed a number of warrants under the misuse of drugs act around the local area targeting those that supply controlled drugs in our towns and villages.
