I've been working with local community groups to try and gain an understanding and feedback around safety concerns of females in the Great Yarmouth and North Norfolk areas.

I'm still hoping to talk to further groups in the North Norfolk community so please do make contact with me via email > [Daisy.Woodward-Smith@norfolk.police.uk](mailto:Daisy.Woodward-Smith@norfolk.police.uk) if you know of any women's group or organisations that might like to provide some feedback around safety concerns and what they would like to see Norfolk Police do to support this.

### WHAT'S HAPPENING IN YOUR AREA?

We have been busy conducting hi-visibility patrols on our coastal areas which have been increasingly busy, along with patrolling locations identified in our problem-solving plans, these have been focused around The Memorial Park in North Walsham and Gold Park in Mundesley.

We're also working with North Norfolk District Council and local residents to tackle Anti-Social Behaviour in Sadlers Wood, North Walsham. There have been numerous reports of youths starting fires and riding motorbikes through the woods. Officers are carrying out regular patrols of these woods and are liaising with local residents to report these incidents to North Walsham Safer Neighbourhood Team.

We've also been carrying out patrols outside and inside the local schools to monitor and educate drivers/ parents dropping off school children.

We have received a number of complaints regarding people riding electric scooters around the area. Visits have been made to schools for teachers to educate the pupils of the usage of these e-scooters.

Over the next month we will be out and about in North Walsham and surrounding parishes to support our communities as we approach the easing of the lockdown rules on May 17<sup>th</sup>. Numerous visits have made to the high street shops and supermarkets and public houses.

Later this month officers will be carrying out road safety checks i.e. speed and seat belt checks.
