In recent weeks your local Beat Managers have been carrying out Pop Up Engagement Surgeries across the county. These events are there to give members of the public the opportunity to speak to an officer and to discuss any local issues/concerns and ask questions. These have been really successful in engaging the community.

If you're interested in coming along to a future Pop Up Engagement Surgery, please see the latest dates listed on our 'NORTH NORFOLK POLICE' Facebook page in the 'Events' section.

### WHAT'S HAPPENING IN YOUR AREA?

North Walsham Safer Neighbourhood Team (SNT) have had a busy start to the summer season, with the increased amount of visitors coming to North Norfolk. There has been an increase in high visibility patrols along the coast to monitor inconsiderate parking and speeding on the roads. PC ROBINSON and PC GWYNN have also been out on foot in the town and local villages to support the constabulary in their initiative #PARKWALKTALK.

North Walsham SNT have continued to work on the policing priorities set the by the Safer Neighbourhood Action Panel (SNAP) at the last meeting. High visibility patrols have been undertaken in and around the area of Saddlers Woods, North Walsham to deter ASB and the use of off-road bikes using the area. The team have been liaising with local agencies including NNDC to help tackle the issues. Members of the public who are affected by these issues or who have any information relation to the vehicles/riders are urged to get in touch with the team.

High visibility patrols and covert patrols have also been undertaken in and around New Road Car Park and the surrounding roads to try and deter the anti-social use of vehicles in the area.

The team have been attending the town council meetings and working with the council to identify areas of issue within the town. PC GWYNN has been out in local supermarkets on a weekly basis conducting engagement surgeries which have been very popular.

Speed checks have been conducted and will continue to do so by the team, roads policing colleagues when available and the safety camera partnership.
