We are looking for new SNAP (Safer Neighbourhood Action Panel) members to join our meetings across North Norfolk. A SNAP Meeting is a public held meeting where we traditionally meet to discuss local concerns and issues, provide updates on police action and vote in our next community policing priorities. Usually we hold these SNAP meetings every 3 months for each Safer Neighbourhood area in an effort to ensure that our community policing priorities remain current and reflect what is important to local residents. Due to the pandemic these meetings have been held virtually over Microsoft Teams.

For North Norfolk these Safer Neighbourhood areas are North Walsham, Cromer, Holt, Wells, Stalham, Sheringham and Fakenham. During the meeting priorities are put forward and it's decided what the policing priority will be for each area for the next 3 months.

If you're interested in becoming a SNAP member please email EONorthNorfolk@norfolk.pnn.police.uk with details of the area you are interested in. This is an exciting opportunity to engage with your community and local police, working together to identify local issues and priorities within your neighbourhood with a view to keeping your neighbourhood as a safe place to live, work and visit.

WHAT'S HAPPENING IN YOUR AREA?

With the increased number of visitors coming to the North Norfolk during the warm weather there have been an increase in high visibility patrols along the coast to monitor inconsiderate parking and speeding on the roads. PC ROBINSON and PC GWYNN have also been out on foot in the town and local villages to support the constabulary in their initiative #PARKWALKTALK.

North Walsham Safer Neighbourhood Team have continued to work on the policing priorities set the by the Safer Neighbourhood Action Panel (SNAP) at the last meeting. High visibility patrols have been undertaken in and around the area of Saddlers Woods, North Walsham to deter ASB and the use of off-road bikes using the area. The team have been liaising with local agencies including NNDC to help tackle the issues. Members of the public who are affected by these issues or who have any information relation to the vehicles/riders are urged to get in touch with the team.

North Walsham Town Council will be starting work on Sadlers Wood around November/ December time installing gates etc to try and prevent the use of off-road motor bikes in the woods. North Norfolk District Council should also be doing some work to the woods to also try and solve the problem of the motor bikes.

Patrols of New Road Car Park North Walsham are still being carried out in order to try and resolve the vehicle ASB in the evenings. Police are liaising with North Walsham Town Council ref the use of the cctv camera in order to identify those responsible.
