Mr. Robertson gave a verbal report of a meeting held on 6th January, 2014 at Sheringham Town Hall which he had attended with the Town Clerk and other members of the Working Group. The contents of a letter sent on behalf of the Group to the District Council was read out which, if the District Council accepted the terms, would leave each Council one year to see if the scheme was successful before being required to meet the ongoing maintenance costs, which could be raised through the Precept. It was also reported that where necessary cameras would be replaced over a period of time in each town.

An invoice was submitted for the feasibility study of £1,200 including VAT and members were asked to approve the Town Council's share of the cost.

It was **RESOLVED**

- (b) That the Town Council meets a share of the cost of the invoice for the feasibility study.**
