<p>I have taken some time to read your latest email. I find the tone, condescending content very unprofessional and patronising. I would go so far to say it seems like it's written by a third party.</p> <p>As you do not seem to have the ability to answer simple questions from a resident of North Walsham I am very disappointed in the total lack of professionalism shown.</p> <p>I will today be passing on all my correspondents to, two of my Town Councillors and my District Councillor to deal with.</p> <p>All my correspondents are still private and my name is not to be used in any correspondents or at any meetings.</p>	<p>Response Date 14.8.19</p>
